- Light- Exerting up to 20 pounds of force occasionally and/or up to 10 pounds of force frequently and/or a negligible amount of force constantly to move objects. Even though the weight lifted may only be a negligible amount, a job should be rated Light work when it requires walking or standing to a significant degree or when it requires sitting most of the time but entails pushing and/or pulling of arm or leg controls and/or when the job requires working at a production rate pace entailing the constant pushing and/or pulling of materials even though the weight of those materials is negligible.
- Medium- Exerting 20 to 50 pounds of force occasionally and/or 10 to 25 pounds of force frequently and/or greater than negligible up to 10 pounds of force constantly to move objects.
- Heavy- Exerting 50 to 100 pounds of force occasionally and/or 25 to 50 pounds of force frequently and/or 10 to 25 pounds of force constantly to move objects.
- Very Heavy- Exerting in excess of 100 pounds of force occasionally and/or in excess of 50 pounds of force frequently and/or in excess of 20 pounds of force constantly to move objects.

Please return all information that we asked for within twenty one (21) days in order to avoid any delays in processing your claim for benefits.
